

Who We Are: HOPE House provides tangible, compassionate assistance and care to those in the Guelph community through immediate relief and ongoing support with the goal of moving people toward a greater level of independence. We operate and advocate on the belief that poverty, food insecurity, inequality, health and community are all interconnected. We offer services and programs that challenge the stigmas surrounding poverty and allow our clients to maintain their dignity and choice, while simultaneously providing them with tactile skills developed in a community environment; it is not about a hand-out but rather offering people a hand-up, creating long-term skills that facilitate self-sufficiency.

Volunteering at HOPE House: You'll be part of a team; a little family of friendly, accessible and grace-filled people who share a genuine passion and excitement for helping others. We offer a casual work environment with an endless supply of coffee and tea and great flexibility. We're located in downtown Guelph and in proximity to wonderful amenities.

Volunteer Title: Reception
