**Description:** If you love people, the great outdoors, plenty of fresh air and exercise, the Parking Team is just the place for you! You would be part of an awesome team serving on the front line that offers a first impression of Lakeside Church to visitors and welcome assistance to regular attendees of the church.

Your job is to simply inform, guide and safely park incoming vehicles in an efficient and orderly manner at Sunday services. The main requirements are a smile, friendly greetings to all and an awesome attitude. This is a rewarding position that is greatly appreciated by the congregation and visitors.

If you are not sure and would like to try this volunteer position, shadowing positions can be arranged at your convenience.
