

At Lakeside Kids, we want kids to make faith a part of their everyday lives. And we think that having fun together as a family is a great place to start.

Take some time this week to watch the video and do the activity together. We've included everything you need -- just add water!

JUMP JUMP

This month's theme is Jump, Jump!

Every day we are faced with tons of choices! Some choices are easy—wearing the red shirt or eating the apple instead of the banana. Then, there are the not so easy decisions. What do we do when the decision is hard and we are struggling to know which way to go? We believe the first step to making wise choices is trusting that God's way is perfect. Our prayer is that we can help make many of the 35,000 choices a day our kids will be making one day a whole lot easier. They will know to jump, jump and go God's way, because God's way is perfect!

Step 1

WHAT YOU SAY: In our story, God told a man named Jonah to go to Ninevah and tell the people there to follow God's way; but Jonah did NOT want to go there. So, Jonah got on a boat and went the other way! God sent a storm that started rocking the boat back and forth. Jonah knew that God sent the storm for him. So he jumped out of the boat, and the storm stopped. When Jonah was in the water, God sent a great big fish to swallow Jonah! Jonah knew that he should have gone God's way. Jonah prayed and told God that he was very sorry he didn't go God's way. God made the big fish spit Jonah out onto dry land. Then Jonah went to Ninevah, and the people decided to go to God's way! Because, God's way is perfect!

Step 2

We're going to make a boat to remind us that we should go God's way, because God's way is perfect!

WHAT YOU DO:

1. Place the sponge in water. Watch it grow!
2. Thread the skewer through the sail, making
3. a hole at the top and bottom.
4. Stick the skewer into the sponge.

Step 3

Have fun playing with your boat!
