HOW TO HEAR GOD'S VOICE: LISTENING TO GOD

1. Do you have a desire to hear from God? If so, is this something in your life that you have been actively pursuing, or do you hope it just happens within the current rhythms of your life? If not, what is holding you back from wanting to hear what God has to say to you?
2. In what ways or places have you heard God speak to you, or if you don't think God has, could you describe a time when you thought God may have been speaking?
3. How do you best communicate? When you think about talking with your friends or family, how do you prefer to have important conversations? Have you ever stopped to think that God might be speaking to you in the ways you're hard-wired? What might that look like if you recognized that God speaks in a way that's personal to you?
4. What would it look like if you opened yourself up to God without worrying about getting it wrong?
5. What questions came up for you after hearing this message? Talk about them with your group or journal about them.
